

SETTING UP ALEXA, SONOS, MOBILE DEVICES FOR IN-CAR

Radio GH is playable through your registered Amazon Alexa devices (Echo Dot, Echo Studio, etc). It is also playable through Sonos and also via other apps you might use in your car using Android Auto/Apple Carplay

AMAZON DEVICES

To set up on an "Amazon Registered" device click on the following link through your mobile phone. It will take you into to the Amazon Alexa app on your mobile phone and then click Enable.

FOR PHONE

https://skills-store.amazon.co.uk/deeplink/dp/B085F3HLXN?deviceType=app&share&refSuffix=ss_copy

FOR COMPUTER

https://www.amazon.co.uk/gp/product/B085F3HLXN?ie=UTF8&path=%2Fgp%2Fproduct%2FB085F3HLXN&ref_=skillrw_dsk_si_dp&useRedirectOnSuccess=1&

If this works, and you are able to install the skill on your Alexa device please then re-click the computer link, head down to the bottom of the page and leave a customer review so that more people will be able to see the app in the future.

FOR SONOS SPEAKERS

Go to your Sonos app, click on Manage/ Add Radio Station, and enter the following:

<http://uk1.internet-radio.com/stream/radiogh/stream.pls>

This will then appear in your "Radio Stations" list.

IN CAR: MUSIC PLAYER APPS IN ANDROID AUTO / APPLE CARPLAY FOR IN-CAR LISTENING (Bluetooth or USB)

If you enjoy music on the move there is every chance you can play RadioGH through your favourite music app on your mobile telephone linked to your car infotainment system. Apps such as "VLC" or "Podcast Addict" and similar allow you to listen to streams, just look for a section on "streaming" in the app and if it looks for an address to hear the stream from enter the following:

<http://uk1.internet-radio.com/stream/radiogh/stream.pls>

Happy Listening Wherever You Enjoy!
